Overview

Dubai is the second biggest of the seven conditions of the United Arab Emirates (**UAE**) and its principal port and business focus. With a zone of 3,885 square kilometres, it is situated on the two banks of the **Dubai** Creek, a delta from the Arabian Gulf. It is one of the world's not many areas where present-day city life, sandy shorelines and the desert are all inside simple reach.

The city has a very low wrongdoing rate and got the Conde Nast Traveler grant for the most secure occasion goal in **2003**. English is generally spoken, and road signs and menus are imprinted in English just as Arabic. To sweeten the deal even further, outside specialists settle no regulatory obligation in Dubai, and products are sold tax-exempt.

In spite of its desert area, a productive water system framework keeps the city incredibly lavish and green lasting through the year, and there are numerous perfectly kept up parks and

gardens.

Customary souks, mosques and conventional vendor's homes are sprinkled with an ultra-present day high rises, shopping centres, lodgings and office squares. Ladies should in any case dress humbly, be that as it may, in regard to Arabic culture.
